County Merced

City Livingston

Animal Weight (in Pounds) 100

Date of Reported Weight 06/05/2020

Description

Hello, my name is Evelyn Maldonado, I am currently a freshman at Livingston High School. I am an active member of the Livingston FFA Chapter, and I am raising a market goat project. This is my first year in FFA. This is my first year raising a market goat, and I am having a great experience raising my animal and gaining much knowledge about them. I purchased a 40-pound goat in January, since then I have taken responsibility in feeding, cleaning the pen, walking and taking care of my goats needs. Through this project and being involved in FFA events I have learned valuable skills such as commitment, teamwork, responsibility and leadership skills. Throughout my short time in high school, I have been involved in many school activities such as FFA, Volleyball, Swim, CSF, and Class of 2023 club. Being involved in FFA has helped me become more open-minded about agriculture and it has shaped me to be a better individual. Skills I have gained while

being an FFA member are responsibility, teamwork and how to be committed in the organization. The money raised from my project will go towards next years project. Thank you for your support!
