Description

Patty would like to wish you a warm welcome to San Joaquin Agfest Virtual sale. My name is James Chappell and I'm a sophomore at Lodi High. Patty is my first project with FFA. While my family raises beef and sheep, having Patty has taught me there is so much more to raising a heifer for market show. There is great pride in knowing I have raised a quality animal for meat production. As this project comes to a close, I already have my eye on a steer for my next project. My goal is to go to school and become a lineman in the future. Thank you for your support.
