Description

Grace began showing goats last year with the Lancers 4-H club. This is her second year doing a market goat project.

Despite being disappointed that the Merced County Fair was canceled, Grace was determined to make the most out of this situation. She continued to devote the time to raise and work with her goat, Rocky. The experience of learning more about goats and what it takes to raise a high quality goat, is something that Grace has enjoyed very much. She plans to raise another goat next year.

Other than raising her goat, Grace was a straight-A student at St. Paul Lutheran School. She dances competitively with Denisa's School of Dance, runs track and plays the piano. She is planning on attending Stone Ridge Christian for junior high this fall.
