**Description**

Hello, My name is Rayce May. I am a freshman at Buhach Colony High School where I was the greenhand president. This year, I got my wether from one of our breeding does so I have been involved in raising him since the day he was born. I also was planning on showing and selling a beef bred heifer at the fair this year. Due to the cancellation of the fair, I sold my heifer privately. However, I decided to go through the online fair sale with my boer wether. My goat is very healthy and I hope you will consider bidding on him. Thank you for taking time out of your day to read this and thank you for your consideration.
