Date of Reported Weight 06/01/2020

Description

Hello, I'm Katherine Horal and I just graduated from Golden Valley High School. I have been raising and showing goats since I was nine years old and livestock is a passion of mine. This has been a hard year with lots of losses but also a lot of high moments. I am proud to say I was part of Golden Valley FFA. I was a two time chapter officer and Merced-Mariposa Sectional President. I competed on the Project Competition Team for three years and on multiple speaking teams. I also attending numerous leadership conferences both in and out of state. I had the honor to be on the Livestock Judging Team as well as the Agriculture Sales Team. Our Livestock Judging Team was Reserve State Champions and had the honor of representing California at the National Competition in Indiana this past October. We were Fourth High in the Nation and I was Ninth High Individual in the Nation. I committed to be part of the livestock judging team at Lake Land College in Illinois in the fall. I am planning on majoring in

Agricultural Education. I was so blessed to have had Ag teachers that mentored and shaped who I am. Thank you for everyone that has supported and cheered me on.
