### **Description**

Hi, my name is Gavin Moore. I have just graduated 8th grade and will be entering High School in the Fall. I have been a member of the Dos Palos 4-H since turning 9 years old. I am actively involved in my 4-H chapter, and am currently standing as our Chapter Vice President!! My Merced Fair project is a wethered Boer goat, with a current weight of 92 pounds. My market goat was born on my family's ranch so I have been preparing him for the fair since the very first day he was born. Not being able to physically show my project was disheartening but I have continued to keep my project on track and he is at his ideal market condition. Your support is greatly appreciated to help with all of my future projects to come as I start High School in August!!
