Description

Overall Reserve Grand Market Lamb; 4-H Champion Market Lamb

Hi, My name is Samantha Asmus, and I am in my 2nd year of the Alpine-Victor 4-H and Lamb Project. This year, I have named my lamb "Patches", and I have taken him to many other shows for practice before AgFest. Some of the shows are: Red Wave Jackpot in Fresno, Western Bonanza in Paso Robles, and Northern Exposure in Corning. I learned that practicing with Patches early on made him easier to handle once he got bigger!

Patches was born at my house, so I have seen him grow since the first day of his life! I am very proud that I have been able to show my parents that I can be responsible for an animal and its' needs. I plan to save the money generated from the sale of Patches, to buy another project for next year, and for my future education. Next year, I hope

that I will be able to participate in the fair at the fairgrounds, because I work so hard with my animals and want to see them do well.

I would be grateful for your interest in my lamb during the auction. ~Sincerely,
Samantha Asmus
