### **Description**

Hi, my name is Carley Moore and I am currently a sophomore at Dos Palos High School. I am actively involved in my FFA chapter showing at all three fairs yearly, competing in project competition, and have been elected as our 2020/21 Chapter Vice President! My Merced Fair project this year is a market goat, currently weighing in at 96 pounds. My goat "Sparks" is a market ready Boer Goat that was born on my family's ranch! I have raised him from the day he was born up until now to the absolute best of ability, putting in so much time and effort to get him ready for the fair. Raising this years fair goats have been extremely fun. I am so thankful for this opportunity to sell my market goat project. Your support would be greatly appreciated to help me with my future projects!
