### **Description**

My name is Jaycee Wilmshurst and this is my fifth year showing sheep. Every year showing is a different experience and I learn something new each year. I bought my Hampshire Suffolk lamb from Morino Brothers Club Lambs in early February when he was only 49 lbs. He has grown so much since then! His name is Curly and he is a pretty friendly lamb. Since I've been stuck at home for the last few months, I put a lot of extra hard work into making sure my lamb is ready for this year's virtual AgFest. Almost every evening I have run around the yard building up Curly's muscles, and working with him until it was time for dinner. He is a pretty awesome lamb until I try to wash his legs, because he always finds a way to slip out of the wash stand while he's still soapy. My favorite part about raising this lamb is looking back and seeing how far he's come since when I first brought him home, along with the feeling of responsibility that comes with this project. Although I was really looking forward to showing him at

AgFest, I'm glad that there's still a way to show him off through the virtual auction. He is a great looking lamb!
