Description

My name is Addyson Wilmshurst and this is my 3rd year in Ripon 4-H. In early February I purchased my lamb from Morino Brothers Club Lambs. He weighed 60 lbs at that time and I've fed him A LOT since then. He loves to eat! He was 146 lbs on May 30th so weighs in the 150's now. That's a lot of meat! I have put a lot of time into working my lamb and he is friendly. I named him Moe and he is definately show ready. I sure wish I could have shown him at AgFest because I am certain he would have placed top of his class. I really enjoy the responsibility it takes in raising an animal from start to finish. Thank you in advance for any support you can give me. I had a great time raising this lamb and look forward to next year already!
