Description

Hi I'm Ashton DeVries, a third year member of the Lodi FFA No. 1 chapter and market swine exhibitor. As this year has been different, so has my luck with my annual swine project. My Duroc gilt, has done a great job at packing weight (delicious pork), onto her sturdy frame. She has a passion for 19% protein mash, going on walks, and swimming. I enjoyed raising my pig this year since I can compare and contrast the difference of genetics between breeds I've raised, since I usually have raised hampshires or crosses. Im confident in my pig selection as she stuck out from her brohers in her litter because of her prideful walk and smarty pants attitude.
