### **Description**

My name is Aleena Jimenez. I am a member of Merced High FFA. This is my 3rd year participating in FFA and showing sheep. This year I am selling a Southdown named Cotton which I purchased from Brassfield Family Show Stock out of Valley Springs, Ca. for \$700. She comes from a long line of Supreme and Champion AOB's. She is a very muscular 153lb sheep. I have spent a lot of time since the beginning of January with her. I have been walking and feeding her twice a day along with grooming, halter breaking, mucking out her pen, and bracing her. I have learned so many critical lessons such as responsibility and time management. I also took on another sheep that a classmate could not take care of anymore so raising both sheep has been a pleasure but also a big expense. I am hoping to do well on this sale to not only make up for what I have spent out of budget but also to save up for my next year's sheep purchase. Thank you for your bid/or donation. I appreciate you very much.
