### **Description**

My name is Luke Gutierrez and I am with Farmington 4H. This is my second year doing market goats. Last year was my first year selling a goat at AgFest. I liked it so much that I wanted to do it again this year. My goat's name is Billy. He loves to eat all the time. I have had fun working with him and taking care of him. He didn't like to take walks with me at first but he's much better at it now. I learned a lot more about goats this year, and Billy ranked 5th place in his weight class. I plan to raise another goat or maybe a pig next year.

I hope that you will consider buying Billy, and thank you for taking the time to read this.
