Description

Good day, my name is Monica Llamas, I am sixteen years old and a sophomore. I was really looking forward to become apart of FFA and show a animal for the first time. I had always been invovled with sports and have had higher than a 4.0 GPA, I thought to myself this year I'd become a FFA member and show a animal. After softball pratice I would come for about and hour and a half to work on my goat and lamb for I had two animals. At first I was nervous becuase I wasn't sure If I could be good at showing but I worked really hard and I couldn't wait for fair to come. It sucks that I won't be able to show but I am looking forward to next year. It would be very nice for someone to buy my goat. My goat is a doe and I worked very hard with her. I would be very grateful and appreciate it so much. I'm so very thankful to everyone that has already went out of there way for us kids to make this even possible, so thank you and god for evrything.
