Description

Hello! My name is Riley Lopez and I would like to introduce you to my Boer goat, Saturn. I purchased Saturn from a local breeder in my hometown of Le Grand, CA that I have had the opportunity of building a positive relationship with over the past three years. Saturn and I have been working together as a team since the end of February. He enjoys lots of lots of exercise and alfalfa hay.

This is my third year participating in the Merced Fair. I began the summer before my freshmen year and placed 2nd Overall in Novice Goat Showmanship. I worked even harder the next year and earned 3rd Overall Freshmen Goat Showmanship. I love showing goats and it's heartbreaking to not participate in any fairs this year. I also had a market goat for the Chowchilla Fair that I couldn't compete with as well.

I am currently finishing up my second year as a member of Le Grand FFA. I was recently elected as the new Le Grand FFA Chapter Reporter. I have a passion for agriculture and the livestock industry and will continue to work hard to promote our

industry and FFA. I plan on using any funds from Saturn to invest in future Market Goat projects. Thank you for your time and support!
