Description

I have had a lot of fun with this project i have started and now finished. It may have been a lot of work but in the end it was very much enjoyable even though the hard work it took to get that pig the way it is it may not be perfect but it is good enough for me. I'm very happy to see this pig go but said it won't end up in my own freezer but i'm happy it will end up somewhere else also. I do plan on showing again in the next years to come but i might step up my game d do a steer or something else.
