Description

Hello, my name is Joshua Craighead and I am raising my last market hog for Manteca High FFA. I am attending Modesto Junior College where I just finished up my first year. I am majoring in Ag/ Welding/Mechanics. I was also on the swim team which our season ended due to COVID 19, and I will be on the water polo team in the fall. I have raised market hogs all four years of high school and in my senior year, I raised a market steer. This is my fifth and final year participating in FFA. I am raising a Duroc barrow named Franky. Franky is currently 259 pounds and still growing. By auction, he should weigh 280 pounds. As of today, I have invested over \$800 in my hog. Any profit made from the sale of my hog will be used to pay for college. Thank you so much for your time reading the above description and supporting me by bidding on my hog.
