**Description**

My name is Isabel Barkley and I am 14 years old. Some of my favorite hobbies are playing soccer and softball. This is my first year raising a goat and I did not regret it. In the past I raised turkeys. I am heartbroken that Agfest was not able to happen this year due to COVID-19, which I was really looking forward to.

Throughout my experience with raising goats had taught me a lot about my leadership skills and becoming more responsible. Having to feed and water them twice a day. I as well, let them out whenever I can. I am so happy that I had got this

experience into raising these goats. They have helped me learn a lot and grow as a person.

I got my goat Billy in February, he is a very energetic and happy goat, but he has also been stubborn. He loves to eat, talk, run, and climb everything he is capable of climbing. I have been told he is a big boned and I know he is a very strong goat. I have spent countless hours working, cleaning, and feeding these goats. They have become a routine in my lifestyle.
