Short Description Oakley - Broad Breasted Bronze Turkey - Get ready for Thanksgiving!

Description

Elsie is an enthusiastic 12-year-old member of the Kinder Farm Park 4-H Livestock Club in Anne Arundel County. This year, she's proud to present her turkey for auction – her fourth time raising turkeys in 4-H!

Elsie is a club reporter, sharing what she's learned with her fellow 4-H members and the community. You can find Elsie volunteering at the farm, sharing her animal projects with fair visitors and anyone who might be interested. Elsie loves working with all of the animals and is truly passionate about 4-H.

Her turkey is a Broad Breasted Bronze named Oakley, born on May 5, 2025. He enjoys a nutritious diet of Nutrena 21% protein turkey feed purchased from The Mill in Bel Air.

Elsie would like to thank her buyers from last year: Mr. Goodman for her pig, Mrs. Hopkins for her turkey, and Southern Maryland Equine Veterinary Service for her lamb!

By bidding on Elsie's turkey, you're supporting her hard work and dedication to 4-H and animal care!
