## **Description**

I'm Haley Hoek, this year I have raised my lamb named Prince. My FFA advisor helped me find him at a local breeder and I've had him for about 4 months. When I first bought him he was very small and didn't care for human touch at all, he's come such a long way and I am very proud of him. Now every time he sees me walk outside he is always calling for attention. He's taught me the importance of always spending time and improving the performance of a stock show animal.
