Short Description Bid on Drumstick- a premium holiday centerpiece!

Description

Lily is an ambitious, driven, outgoing, animal loving 13 year old member of the Kinder Farm Park 4H Livestock club. Since she was 2 years old she has had a passion for every kind of animal, curiously watching them through the fences and couldn't wait to care for her first turkey this year! This project has been a great experience for Lily and she has learned so much about raising and caring for her turkey.

Much to her parents chagrin, at times, she has taken this even more seriously than her sports - (sometimes even school) and wants to be with her animals every day. She loves spending time with, caring for and learning about the turkey.

She is excited to show off her Broad Breasted Bronze Turkey who has exceeded expectations in growth on a great diet of 21% Nutrena protein feed from the Mill in BelAir, MD.

"Drumstick" has been aptly named- This project has been an amazing experience for Lily and she hopes you enjoy a premium, locally raised animal.

Quantity: 33
