Description

My name is Daniel, I am 16 years old and attend Lodi High School. Some of my favorite hobbies are playing soccer and basketball. This is my second year raising a pig with Lodi High FFA. In the past I raised turkeys with Alpine-Victor 4-H.

I purchased Petunia in February. Initially she and another pen mate were small. We learned that regulating their temperature is important for growth. She is now plump, feisty and happy. She loves to eat, talk, and play with her pen mates. I have spent countless hours working, cleaning, and feeding her. I have enjoyed raising Petunia into the beautiful hog she is today.
