Description

My name is Bret Luiz and I am 17. I have been showing market goats for 7 years. I purchased my goat on April 11th, from Sundance Kids. My goat is born and bred in San Joaquin county. I have fed my goat Dominator and he eats twice a day and about 4 lbs.

Goat meat is a lean meat and tastes similar to beef and has less fat. You should cook goat slowly and at a low heat to keep meat moist. A good choice of meat would be the shoulder. Using a marinade or heavy spices and roasting will produce the best taste and texture.

Thank you for your support.
