Description

Meet my Cross Barrow, Tucker. I purchased my animal from Triangle L Farms in Ripon, CA when he arrived he weighed 68lbs. and ever since then he has been a steady gainer. Tucker has a good personaility, he loves to exercise, sleep, get brushed, and most of all he loves to dance while he eats. This is my third year being involed in 4-H and I have learned commuication skills, responsilbity, animal science, archery, and how to properly take care of my animal. I am very grateful for 4-H and what the program has taught me.
