### **Description**

Hi my name is Dylan Lee and this is my 5th year in 4-H. My pig is a Hampshire gilt and her name is Oreo. I am 15 years old and recently completed my freshman year at East Union High School. In addition to 4-H I play basketball, football, and baseball at East Union while having a 4.0 GPA. I have about \$700-\$800 dollars invested in my project so far this year. I plan on using any money that I make from the sale of my pig this year to fund future 4-H projects. Any additional money will be saved for my college education. I would like to thank you in advance for your potential support.

Thank You

Dylan Lee
