Description

Hi my name is Austin Lee I'm 10 years old and this is my first year in 4-H. This is my first year raising a pig but I have helped my brother with his 4-H projects before. My pig's name is burnt bacon and he is a crossbreed. Outside of 4-h I enjoy school and spending time with my friends. I also play basketball, baseball and football. I have about \$600-\$700 dollars invested into my pig this year. Any money made from the sale of my pig this year would be used to fund future 4-H projects. I really wish that we were able to have agfest this year but I still really enjoyed learning all that it takes to raise a pig this year.

Thank you for your support

Austin Lee
