### **Description**

My name is Adeline Reece. This is my first year in the New Jerusalem 4-H Club. I am 10 years old and just finished the fourth grade. This year my project is market swine. I am raising a male Hampshire named Jack. I learned a lot while raising him (even how to use YouTube...check out my links below!).

I have learned how to care for Jack. I walk him many times a day training him how to walk with his head up. I keep him warm when it was cold and cool when it was hot. He loves baths and belly rubs!

Jack likes his food wet and I learned how to mix it to the constancy he likes. He likes to try to knock the feeder out of my hands when I feed him.

Even though raising Jack was hard I learned a lot and had a lot of fun. I cannot wait until next year to do it again.
