Validation Tag or Show reference# 744

County San Joaquin

City Ripon

Animal Weight (in Pounds) 235

Date of Reported Weight 05/29/2020

Description

Hi, I'm Lana Crawford with Ripon 4-H. I'm 10 years old and a 4th grader at Weston Elementary, I'm a cheerleader for the Ripon Knights and a Baton Twirler with Generations. I also do gymnastics, GEMS, and LOVE swimming and spending time with my family.

This is my first year in 4-H and my first year raising a pig. I got my pig on Feb 2nd, Superbowl sunday, I picked her out because she looked nice and also because my dad, who is also one of my leaders, said she looked like a good choice and the breeder agreed. We brought her home with the rest of the 4-H pigs that day. I named her Kit Kat. Within the week I had taught her and my brothers' pig to sit, like a dog. They were so cute.

I also spent time teaching her to trust me and to walk with my whip. On Friday March 13th everything changed, after school, we got a call that school was cancelled. In the days that followed all our activities were cancelled, we even had a strict schedule for when we could visit our pigs at the school farm. I watched my pig grow, and she grew fast. I learned the importance of rubber boots, they aren't just for jumping in puddles. I learned about measuring out feed so my pig could look her best for our fair. I learned that the smell of pigs could be so bad it makes your eyes burn. I learned that raising a pig requires a lot of help, my brother and parents have helped me learn about raising a pig. Please bid on my pig. I know she will make a great addition to your table or BBQ.
