### **Description**

Hi, I am Willow Storm and it is my second year in Alpine Victor 4-H. So far it has been a difficult year. My first swine this year was named Crinkles. He died from a mycoplasma infection. Luckily the breeder replaced him and now I am raising a swine named Magnolia. I weighed her on 5/23/20 and she weighted 200 pounds. I think she will weigh close to 255 pounds at auction. I made a nickname for Magnolia; it is Maggie. Maggie is a crossbreed between a Yorkshire and Hampshire. She is playful and likes to follow me when I run around.

Some things I like to do when I am not with Maggie are gymnastics and playing the piano and painting and drawing.
