### **Description**

Hi, my name is Makenzie Saenz, I am 17 years old and a member of the Tracy High FFA Chapter.

**Today I am selling my steer, Dumbo! He got 3rd place in his Market class this year at AgFest!!!**

He is a handsome Black Angus and weighs about 1,260 lbs. I have been raising him since last October and working hard to develop him to his fullest potential. We have attended many steer jackpots all over Northern California this year and have placed well in all of them. This year I have learned that not all things go as planned, such as our county fair, but no matter what you must never give up and work hard to finish strong! Every year I use part of the money I earn to buy a steer for next year, as well as put the rest into my savings account for college, which is

**right around the corner! I want to thank you in advance for your support to not only me, but the entire FFA community because without the generous support from people like you we would not be able to continue! Again, thank you!**
