Description

Hello my name is Payton Ulloa and I raised a market swine for Ripon 4-H. He is a Berkshire pig. My animal was housed in a clean and well maintained environment. He was fed quality show feed and at his last weighing (5/30/2020) he weighed 263lbs. I've spent multiple hours per week to ensure that my pig was ready for fair/auction. I've paid attention to its growth and health throughout the project to ensure the quality of the pig. I'm sure that my pig is now ready to be auctioned off and bought. Not only does my pig physically look good but it is also in amazing health as well. Thank You!
