Date of Reported Weight 06/06/2020

Description

Hello, my name is Jaycee Petersen and I will be going into my junior year at Stone Ridge Christian High School. This year I decided to broaden my livestock experience and show a goat. Due to Covid-19 I was not able to show my goat George. I have had so much fun raising my goat. I am looking forward to the future and can not wait to be able to show at the Merced Fair next year.

Quantity: 1
