Description

My name is Manuel Mejia and I have had the opportunity to raise a Market Lamb with Le Grand FFA this year. My lamb's name is Lars and I have owned him since February. I purchased Lars from Leventini Club Lambs along with another lamb that I planned on showing at Chowchilla Fair. I got to go with my Ag. Teacher to visit the breeder and hand picked Lars from a large group of lambs. I am currently a Sophomore and member of my school's Agriculture Academy.

Before I became apart of FFA, I had very little experience with livestock. Over the past two years, I have grown so much in my overall knowledge of raising lambs. From weighing out feed rations to exercising and teaching my lamb to brace, I have been working hard to care for Lars to the best of my ability.

Last year I had great success at the fairs I participated in. I was fourth overall in Novice Showmanship at both Chowchilla and Merced Fair and even won my Market Class. It has been a disappointment to not get to show Lars at the fair this year and compete in the ring. But I am so happy to have shared this experience with him and continue to build upon my knowledge of sheep. Thank you so much for taking the time to learn more about Lars and myself. I hope that you consider purchasing my lamb and supporting us through this challenging time. Thank you!!!
