### **Description**

My name is Gloria Martinez Mota and I am a junior at Merrill F West High School and a third year member of our chapter's FFA. During my time in the FFA I have learned about the diversity of the agriculture industry. This year I am trying something new and raising a market hog to show at San Joaquin AgFest. My market hog is a crossbred gilt that I've named Precious, and I really enjoy spending time with her each day caring for and working with her. Although this year, due to the pandemic, our livestock auction will be held online but this is another reason to excel in my first year market hog project. I would greatly appreciate your support during these crucial times.
