LOT 158 - Sophia Rabena Le Grand FFA

First Name Sophia

Last Name Rabena

FFA Chapter or 4H Club Name Le Grand FFA

Validation Tag or Show reference# 1634

County Merced

City Le Grand

Description

Hello! My name is Sophia Rabena and I am a Freshman at Le Grand High School. During my first year I have joined the Agriculture Academy and FFA. This year I am raising a market lamb for my Supervised Agriculture Experience (SAE) project. I purchased my lamb from Leventini Club Lambs at the end of February. I have been 100% responsible for my lamb project including feeding, halter training, exercising, shearing, etc. I have been raising my sheep at our school farm on campus.

My lamb's name is Chewbacca, or Chewy, for short. I chose his name because he was so fluffy when I first got him and he has a loud and deep voice just like his namesake from Star Wars. I have learned a lot from my experience with Chewy. I had no previous experience showing market lambs or livestock before this year.

I am a very active FFA member participating on the Floral Design Career Development Event (CDE) Team, Creed Speaking, attending every chapter meeting, and participating in community service events. I love the FFA and am passionate about my lamb project!

Even when the COVID19 pandemic shut down things I continued to work hard with Chewy. I would greatly appreciate your support in purchasing my lamb or helping to support me through this stressful and confusing time. Thank you for visiting my page to learn more about me and my lamb Chewy!
