Description

My name is Hayley Petersen and I'm a 10th grader at Atwater High School. I want to thank you for supporting my goat at the 2020 Merced County Fair Livestock show and for supporting the Atwater High School FFA Program. This year I was given the opportunity to learn how to take care of a goat, watch him grow and learned how to take good quality care of its nutrition, how to shave, and clip its hooves. FFA has taught me so many life skills like work ethics, leadership, and responsibility. It also gave me the opportunity to meet new people and make new friends, along with learning how to take proper care of my goat. I plan on using the money from the auction towards my college goals and to another FFA project. Next year I hope for the same and take care of more than one FFA animal. I appreciate your support and love for the FFA Programs and thank you for your time and consideration.

Sincerely,

Hayley Petersen
