### **Description**

My name is Taylor Holcomb, I am a sophomore at Atwater High school. This year is my second year as a goat exhibitor for Atwater FFA. FFA has meant a great deal to me and has taught me many life skills such as work ethics, responsibility, and leadership skills. Throughout my high school experience, I plan on showing market goats through Atwater FFA for the rest of my high school years. I am also on the poultry judging team, and going to stay in it the next two years. During my SAE, I have spent about 4 months cleaning, feeding, and exercising with my goat. My goat, Butter, has definitely grown into a show ready goat, she is very playful and healthy. Due to this devastating pandemic, many FFA and 4-H exhibitors have been

affected. The Merced fair has been canceled, but they will be hosting an online auction livestock sale. Hope you will come support us at the online auction.

With great appreciation,

Taylor Holcomb
