Description

My name is Hunter Boyenga. This is my second year at Atwater High School and Atwater FFA. I have been showing a goat for the past 4 years with McSwain 4-H. Which has helped me to learn good skills in how to raise my animal and how to show well in showmanship. In 4-H I also competed in communications. I presented a dozen times at different competitions with my McSwain 4H communications group. I have made presentations about the "Secrets of Walt Disney World" and the "Secrets of Disneyland" which both qualified me for the state competition at UC Davis. I went to the state competition many times and won a total of five gold medals or pins on my hat. Now back to FFA. At Atwater FFA we have BBQ dinners that we sell to raise money for our chapter activities. I have sold about 45 BBQ dinner tickets this year. Also I started doing Soil

Judging as a judging team. In addition, to FFA at Atwater High School I was also on the Cross County Team and Track Team this year.

I have sent you this letter because I am looking for someone to buy my goat at the Merced County Fair Virtual auction. I have trained my goat for the past 3 and a half months. I have worked with my FFA advisor, Mrs. Borba and I have also been working with my previous advisor from McSwain 4-H, Mrs. Cardey. Both have taught me different skills that I have been using to try and get the best looking goat at the fair.

I hope you will support me and my FFA friends at Atwater High School.
Falcon Pride!

Sincerely,

Hunter Boyenga
