Description

Hello my name is Shayleigh Miller, I am 14 years old this is my first year in Atwater FFA. This will be my sixth year showing goats for Merced County Fair unfortunately due to Covid-19 I will not be able to show this year. I have been in Ballico Cressey 4-h for the last six years I have shown market goats, dairy goats, and dairy cattle. Throughout freshman year and the past years I have been involved in archery, the trap shooting club for Atwater high, and have been secretary reporter and vice president in 4-h.

My goat this year is named woody. When I first got him he was pretty stubborn. I started working with him everyday taking him for walks, practicing showing, and setting him up. I am really glad I have got to show all these years Woody also tries to assist me when I am

working out. He loves to run with me and is overall just an amazing goat. I was really looking forward to showing him this year.

Every cent that I earn it will go to my future market goats and help me further my FFA and 4-H experiences . I have overall worked very very hard this year and very thankful for all my supporters.

Sincerely,
Shayleigh Miller
Atwater FFA member
