Description

My name is Alma Barboza and I am a Junior going on to be a Senior in high school. I am proudly a part of the Atwater FFA chapter . This is my first year showing and raising an animal. I decided to raise a goat this year and enjoyed it so much I will do it again next year and hopefully get a fair experience. I plan on finishing off high school with good grades and graduating, after I plan on going to college to become a grade school teacher. Even though this year didn't go the way it was planned I did learn so much from raising a goat. I learned about animal care, handling, and lots about goats. Overall I enjoyed caring for my goat and I would appreciate your support through the purchase of my animal at the auction. Thank you for your consideration.
