Validation Tag or Show reference# 1455

County Merced

City Atwater

Animal Weight (in Pounds) 70

Date of Reported Weight 06/01/2020

Description

Hello, my name is Gabby Gamble and this is my fourth year raising a goat for fair. This year, I am showing and selling a goat as a senior for Atwater FFA but due to COVID-19 students are not allowed to show our projects at the Merced County fair this year.

During high school I plan on taking advanced courses in order to be able to withstand more rigorous classes during college and to understand the demands of college in the future. After high school I plan on getting an associates degree at Merced College and transferring to a 4 year university to study dental hygiene in order to become a dental hygienist. Raising and showing a goat will help me with some of the expenses needed to cover the cost of my education.

I have been in the FFA program for 4 years and have enjoyed every minute of it. I learned so much from taking FFA courses throughout the years, whether it was learning how to make floral arrangements or studying the animal anatomy of a livestock animal. I learned how to take proper

care of my goat through the FFA program and it has helped me to gain leadership traits such as patience and resilience.

My goat weighs currently around 70 pounds but I am hoping that she will gain more weight as fair comes along. Raising my goat has been an amazing experience that has taught me so much about learning to care for an animal and becoming more responsible. It has also taught me to be more patient. Goats can be stubborn but I have enjoyed every minute with her. I work with my goat by walking or running with her for at least 30 minutes after school and on the weekends.

Il would appreciate any bids or donations toward my animal expenses. The money that I get for selling my goat will go to the animals I show next year and will help me get the items needed for those animals. It will also help me start my college fund. Thank you for your time and support in advance and I hope to see you at the Merced Fair this year!!

Thank you for your time and consideration of my project. I appreciate your support.

Cordially,

Gabby Gamble
