County Merced

City Winton

Animal Weight (in Pounds) 100

Date of Reported Weight 06/01/2020

Description

Hello, my name is Yureili Aguila and I'm a junior at Atwater High School. I have enjoyed being part of the Atwater FFA Program for the last 2 years and have taken advantage of all of the leadership opportunities available to me through the organization. This past couple of months I've been able to care for my goat by feeding and exercising daily but due to the pandemic, it has been a bit hard.

With only a year away for graduation, I've been trying to do good at school by getting good grades. Currently, I have a 3.7 GPA which I think it's good enough for the colleges I want to apply to. I've been looking into colleges and saving up money as well. Also with the money I receive from my project will be used for college expenses. As of now, I'm leaning towards majoring in criminal justice to become a lawyer or FBI agent. Also, my top three schools I'm thinking of applying to are Fresno State, Stanislaus State, and Sacramento State. Besides my academics, I'm also a student-athlete at my school. I've been on the varsity soccer team for two years now and have been playing on a travel soccer team for 10 years.

Overall, having the opportunity to raise a goat has been a great experience. It has taught me multiple skills like being responsible, organized, and great with problem solving. I would really appreciate it if you could help support my project with donations or purchase through the Atwater FFA sale. Thank you for your time and consideration and for taking the time to read this letter as I know that your time is valuable.

Sincerely,

Yureili Aguila
