FFA Chapter or 4H Club Name Atwater FFA

Validation Tag or Show reference# 1453

County Merced

City Atwater

Animal Weight (in Pounds) 96

Date of Reported Weight 06/01/2020

Description

My name is Cristal Venegas from the Atwater FFA Chapter. I am a senior and it is my fourth year participating in the FFA and showing animals at the Merced County Fair. I currently hold a 4.02 GPA, and I am one of many salutatorians graduating this year. After high school, I plan to attend the University of California, Merced to obtain a Bachelor's degree in Human Biology, then transfer to a medical school to pursue my dream of becoming a surgeon. Being an active FFA member has and will continue to prepare me for the future. Throughout high school, I have been apart of many teams within the FFA such as Horticulture judging, Parliamentary Procedure, and Prepared Public Speaking. These have all taught me how to manage my time and how to balance all my activities while still getting my tasks done effectively. Having to raise animals as well as doing other activities is challenging, but I always make time in my day to care for my animals. This year, I have the privilege of getting to raise a market goat. My market goat, whose name is Chocoflan, currently

weighs 96 pounds. This SAE project has taught me how to be responsible because I clean my animal's pens every day I feed, as well as I walk my goat. I've also become independent because I've had to learn to take time out of my own day to take care of my animals. I have spent many hours learning to handle and care for my animal, and I would greatly appreciate it if you could support my projects through the purchase of the animal at the auction. Thank you for your continuous support within the FFA, and thank you for your time and consideration.

Sincerely,
Cristal Venegas
