Animal Weight (in Pounds) 100

Date of Reported Weight 06/01/2020

Description

My name Is Julian Chargoy from the Atwater FFA Chapter and I'm a sophomore currently attending Atwater High School. This is my second year being involved in The FFA and Showing a market Goat. I'm also involved in sports like Football, and It is also my second year doing Trapshooting. I would like to start by thanking you for all the support and time you have put into the Atwater Clay Reapers. My goat this year is a doe and her name is Bentlee. My experience with Bentlee was rough because she was really stubborn when it came to exercising and it would not walk at first, but I have worked with her and made me realize that raising not only a goat, but any farm animal could be fun. This experience also taught me about hard work and labor. My plans after high school are to attend the University Of Houston to play football and study engineering.
