Description

Hello,

My name is Lillie Benafield. I am 12 years old and a third year member of the Ballico-Cressey 4-H Club. This year, my show pig Stitch would have been shown at the Merced County Fair. Unfortunately the fair was canceled due to COVID-19. I have had a lot of fun with my project pig. I have been carefully feeding, walking, and caring for Stitch everyday since I got him in February. I was really excited for the show this year and felt I had a strong chance in the market show as well as showmanship.

Even though the fair has been canceled, the Merced Fair board has set up a virtual auction for exhibitors. I will have a short video posted on this auction and will be looking for support so I may continue my project in future. Thank you for your continued support. - LB
