### **Description**

My name is Dylan Cardey. I am 12 years old and I am a member of the McSwain 4-H Club. My projects are Goats, Rabbits, Communications, and Archery. This is my fourth year in 4-H. I am currently Sergeant-At-Arms for my club. My future goals are to attend Fresno State and develop a career as a public speaker.

I would like to tell you about my market goat Louie. He was born in December. I bought him from my brother who bred him. He has grown bigger than the other kids (who are older than him), and now weighs 105 pounds and has a very big front end. Louie has an energetic and loud personality. I feed him High Noon grain and alfalfa hay twice a day. A few times a week we let him out into the pasture with his other young goat friends to give him exercise. I believe that Louie enjoys this very much.
