### **Description**

My name is Dylan Cardey. I am 12 years old and I am a member of the McSwain 4-H Club. My projects are Goats, Rabbits, Communications, and Archery. This is my fourth year in 4-H. I am currently Sergeant-At-Arms for my club.

I would like to tell you about my rabbit meat pen. They were born in March. I am very excited about them because this is the first time I have owned Californians, as I have only had mini rex before. I bought them from Randy Schumaker who bred them. My meat pen rabbits are one buck and two does. We have done lots of work keeping them cool and comfortable in the recent days. They weigh about 4 pounds each and will weigh more by the time of the sale. I feed them one and a half cups of Templeton grain and one handful of timothy hay twice a day. I will be selling them next week on the Merced fair online sale.
