Description

My name is Lauren Hanson and I am a junior in the Lodi High FFA Chapter. This year will be my fourth year showing a market hog at San Joaquin AgFest. I purchased my Market Gilt on February 7th in El Nido, California from Allan Rios at Generation X Farms. I picked my pig up weighing roughly 60 pounds and have since developed her into a well fed and well exercised 217 pound (as of May 27) hog. Through these last few months I have kept my pig on a high quality, corn based feed developed by Allan and his partners. I have spent countless hours working with and spending time with my pig preparing her for this year's virtual sale. Thank you for your time and consideration!
