Description

Hi, my name is **Anneka Vander Woude**. I named my dairy replacement heifer Tris and I purchased her from my parents' dairy, Vander Woude Dairy. I am part of **McSwain 4-H** and this is my fourth year in 4-H and my second year showing a heifer. I have had so much fun working with her and I love her so much. She likes to lick my boots, give me hugs, and try to eat my hair (don't worry, she hasn't gotten any). She is really friendly and cute. Her sire is **507H12811 (Lopez)** and her service sire is **501H13855 (Livius)**. Her dam **305 ME is 33,540**. Her **genomic score is 547**. She is **due to calve on July 10, 2020**. The money from my project will go towards college and paying off project debts. I am so blessed to have the opportunity to be a part of 4-H. I thank God for it and everything else He has given me, and for giving me the opportunity to glorify Him through both my heifer and sheep 4-H projects.
