### **Description**

Hello, my name is Katie Hiler. I'm the daughter of Brian and Angela Hiler and the granddaughter of Dave and Jeanette Cardella. I am currently a Junior and in my 3<sup>rd</sup> year as a member of Buhach Colony FFA. Being a part of FFA has been such a rewarding experience. When I am not busy with my Swine project, Charlie, I enjoy playing softball for BCHS, helping my parents on our family farm, and spending time with my brother and sister. This year I have raised a Hampshire barrow named Charlie. Charlie is my 3<sup>rd</sup> swine project, and each year I have had the privilege to work hard, learn more about raising pigs, and take on more responsibilities. Thank you for taking the time to support the Fair exhibitors and for viewing my FFA project.
